Oh, my God...
Isn't that Cid Leon ?
I didn't think even Cid would do this...
How dare he ?!
Who's the girl ?
오글오글

So noisy...
Kkyack!
He woke up !
——?!
Cid ?!
Benedictus.
C, Cid !
I was worried when you disappeared !
Is this what you were doing ?!
What ?

Hey, Sancho. Get up.
Hey !
Eek!
수군수군
Are you guys kidding me ?!
끼아아아
I wouldn't have done anything to an A-cup loser bitch !
Uh, well ...
I think I used my teleportation ability during sleep and got us back to school ...

Sir,
This is the reply for your request from ARANA.
I see.

Perhaps, you should finish your bath ...
Alright, good job.
It's been over an hour ...
... Sir.
I am still dirty.
Not yet.
I can tell that the odor is still left on my skin.

Sir...
Heh~

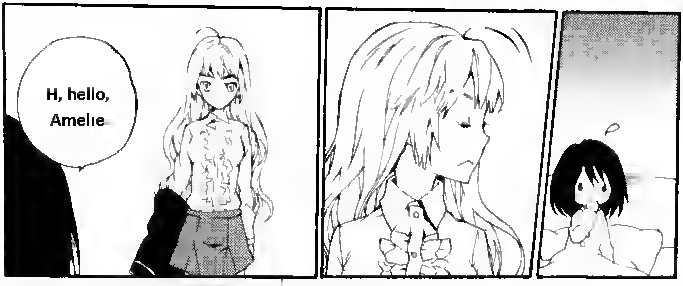
Ah -



H, hello, Amelie

Ah?
You know, the words spread really fast.
I heard you had an intercourse with Cid last night outside at school ?

That's a huge mis-understanding
Are you crazy ?!
Huh?
You are hanging out with Cid because of money, right ?!
Don't go any further than that !
Do you have any idea how many girls he has violated so far at school ?!
I can bet you that he has gotten his hands on every girl within D-F cup sizes ! Even Don Juan would bow before him !
I am telling you, it is a misunde-

But what you do is not my business anyway !

... Thanks, Amelie.
Dear Mr, Mrs Cruz.

So far, I am doing fine.
Everyday here is refreshing and interesting
I've made a lot of friends as well.
Cid and she made out
My new friends are good girls.
Yo, we are out, finally
GET AWAY FROM MEEEEEE !
I've received your letter and food shipment well also.

Looks like Kin is still going at kendo.
From the pictures, it looks like he got taller ? Maybe, he's growing up.
I got a result for my first exam here.
Don't be shocked. I was 2nd for the whole grade.
I must pass the extra exam. Help meeeee...
I want to try going for the 1st place.
I heard all bright minds come here. I was really shocked that I did so well.
But I don't think that's possible. Someone unbeatable is occupying the spot.

Ah, soon, a season where they allow students to leave the school once every month comes.
Loe and Maria told me that they are going to visit me when the season comes.
I will soon send you a letter again.
Please stay healthy.
- Dia

Papo,
You look so down.
Are you still scared by the event before ?
Hang on.
I will take you to Cid.

All I asked was share. Geez, be nice.
Do you guys think only you deserve to eat nice food ? We are humans, too, just like you.

Hmph!
Oh, the irony ! You can only create lots of copies with half of your original abilities !
Quiet !

We are just so hungry.
We are just a bunch of pitiful people who can not feed ourselves
Have a pity on us.
This school is very rich, no ?
Few loaves of breds can be considered a small donation, no ?

So, now, go back to your boss.
And put in good words for us, please ?
Sir !

They are just hungry !

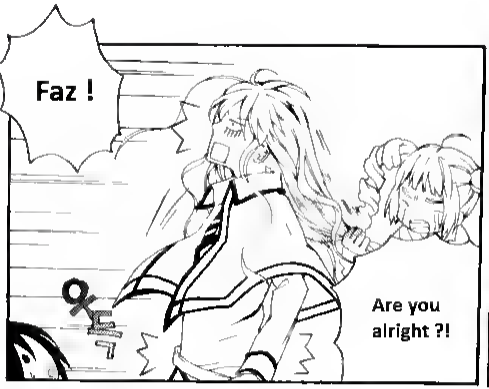
Ugh...



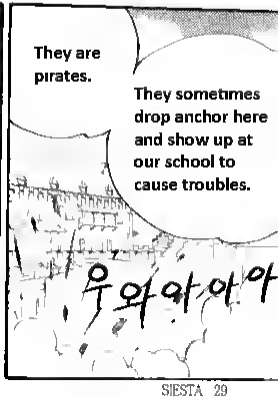
Faz !
Are you alright ?!

... Yes.

I apologize, Miss Canto.

Eh, well..

Amelie !
What's going on ?



They are pirates.
They sometimes drop anchor here and show up at our school to cause troubles.

Pirates ? I thought they were wiped out.
Only the big pirates ! Small pawns are still plenty !
Get them !

Popo !
What are you doing here, Popo ?
Did you miss your daddy ?
Um,
Popo seemed to be depressed and wasn't eating well, I brought it here.
He seems... fine now ...
Popo gets depressed if he doesn't see me for 24 hours.
To him, I am the world.
I looked after him when he was just a baby.
And he is 12 now.

He wasn't a stray dog you picked up ?
No, he is not. Quit asking me dumb questions.
He crafted these ?
They are well done.
I ..... he simply joined a random club.
But this is his hobby, I see.
And sparkling.
Very ....l. . him.

How could you, Cid !
Why haven't you visited me all this time ?!

Shut up ! I don't want compliments now !

I've attended your trial to defend you.

Don't mis-understand me, Ellroy.
I may have been away from you physically.
But my soul clearly recalled your soft F-cup boobs every night and it made me hard to stay sane at night.

I said I don't want your compliments ! The matter of the fact is that you were away from me for so long !
No, no.
See the dark line under my eyes ? This is the proof.

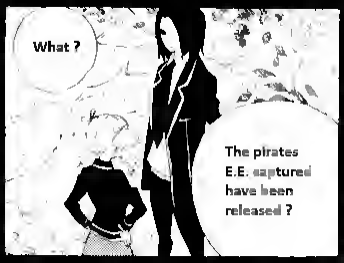
They are captured right now and being dragged away !

So, Enrico got caught.
It will be fun to smack him now.
Let's go watch !
Ah...
Cid !
Cid - !

Hey, Enrico - !
What kind of food were you trying to get your hands on this time ?
It's been 4 years since we've sworn our hot friendship behind a lumbermill at that night.
If our relationship isn't friendship, how else would you define it?
You still think we are friend ?!

Quit making me feel disgusted and go away !
Stay forever in a prison cell, jerk !
Be quiet, Cid !
Ah, yes, sir !
For the first time in 16 years I've known you,
You've done something I wanted to do for a long time, so yes I will listen to you this time.

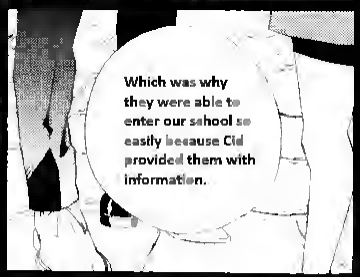
JANIMES.COM



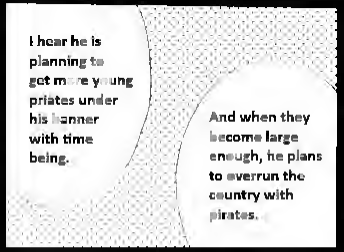
What ?
The pirates E.E. captured have been released ?

Faz's efforts are in vain again ?

Well, they say that the pirates are connected to Cid.



Which was why they were able to enter our school so easily because Cid provided them with information.



I hear he is planning to get more young pirates under his banner with time being.
And when they become large enough, he plans to overrun the country with pirates.

One of the pirates did claim that he was Cid's friend.
Yeah, Cid did deny strongly, but a lot of us heard it.

So again -

Cid must have done something to have them released !

All students here are required to live in dormitory, so the dayoff is the only chance for students to see their families and friends

Thus, the overall atmosphere becomes very lively and festival-like.

It was all because of you that she became a loner...

Who is that white radish like guy ?
And the gal...
You are looking prettier than before, Maria.
is that so?
Dia has gotten prettier, too !
I almost didn't recognize you !
Of course, we've gotten used to Vasha now.

Hey, hey -

Cid ?
I ddin't know you had a D-cup friend !
I thought people tend to hang around with their own kind.
Cid !
Who is this ?!
How rude !
I am E-cup !
Ohhh, I do apologize!

Hey, Sancho.
Leave this gal with me and go tour the guy around the school.
You are treating Dia quite badly, sir.
Loe ...
Would you stop poking her impolite and talk to her like that ?

Sure
Sure.
My deepest apologies, sir.
No..., you don't have to lower yourself like that ...
Actually, I am quite a soft person, but sometimes, I just cannot help myself going off like that.
I am quite close to Dia, so I was careless how I was treating her. Again, my apologies.
I am somewhat uneducated, so -
Anyway, so you are Dia's fnend. Nice to meet you, I am ...
Ohhh, yes ! I should have Introduced my self first ! Oh, gosh !

Oh, is that so ?
Maybe, that was why, but there was something going on with Dia about Loe.
You see, Dia fell in love with Loe for a while, I think.

Well, it's all past now which is why I told you.
By the way, I don't think those are E... In my eyes, they are D...

You may never get a chance like this again. Think hard.
Mister,
May I ask for a tour around the school?
I would be glad to, m'lady.

Why...

Is that the girl ?
That hair style is very old for Vasha fashion.
She said it was a girl from a countryside who is always with Cid, so I reckon that is the girl we are going after.

That girl... fits Cid's taste 100%
Cid never ceases to amaze me with his taste in girls.

Ah..., sure.

So..., Dia ...
I don't know what I should say right now ...

You knew ... I am sure...

I troubled your mind greatly

I didn't mean to burden you like this.

I am sorry ...

to have made you go through this..

I am sorry.

Why is it always like this?

They are precious.

Very precious.

I don't want to burden them.

I don't want to hurt them.

I don't want to do ...

anything that'd make them dislike me ...

- Dia.
Let me see..., it was 9 years ago, right.
A very tiny
And shy girl.
You may not remember, but I still do remember the first time we met.
Perhaps it was because there were only boys of your age, but you were being really shy
And you looked exactly like Aunt Bellona.
Ah, yes, you dislike anyone talking about her.
Haha...., but -
She was my first love.
What ... ?

Once I found out that she was a married woman, you have no idea how many days I cried.
Then I saw you.
I decided that I'd take you as my bride instead back then.
I was going to propose to you when I see you next time.
But when I saw you again,
You were to be adopted into the family.

And I cried again for days in secret.
I figured I might end up being single for life at that time.
Haha -
That
Dia, you -
And so I was happy
Might like me
I kind of got the feeling

I was really happy.
Dia, I don't feel bad about my past feelings about you.
How about you ?
Do you feel uneasy hearing about it now though ?
Do you understand why I am telling you this ?
... Yes.
Yes, I do, Loe.

I am happy, too.

I really thought you'd never figure out.
By the way, Loe, you aren't as naive as I thought.
Whoa ?
Loe's sensitive about being called naive.
You know, I should say that to y -

LET ME OUT !!
We didn't do anything this time !

The members of the glass crafting club are the prime suspects of the kidnapping of Maria Mendes. We cannot release you.
Don't fuck with me !
People saw Enriko and his minions taking her away !
"Prime suspects" my ass ! Go after them !
True, but you were the last person she was with before she was kidnapped.
And it's been reported that you are Enriko's close friend.
I am NOT his friend !
So, you are locking me up just because of some assumption ? Where has the justice gone in this country?
In order to prove my innocence....,

She's on a vacation in Moita.
Coss, what to do now ?
Should we start making a tunnel with spoons?

They may be ruthless criminals,
But E.E. is doing everything they can to get her back, so, she will be fine.
Fear not.
But you say they are "ruthless".
How can you be so sure of her safety ?
Don't worry too much, Dia...

They are hardened criminals, but i doubt they would do something indecent to her.
Do you know any idea how pretty she is ?! They will do something dirty to her !

However,
It is a serious and heavy crime that you are intentionally postponing notification of your class change.

And you put the crime on me.

Urgggg -
I lost to Cid again.
His lightning element is your worst enemy. I told you to run.
The dude grew up a little.
I used to win all the time.

He mey be like thet now, but when he entered the school,
with Faz, the weakling brothers.
He wes e weakling yet wes getting speciel treetments before his family wes rich. Thet pissed me off, so I pleyed tricks on him
Whenever I would bother them, Faz just ignored and moved on.
On the other hand, Faz would fight back harder.

But on that day,
He had a big smile on his face.
When his bullet user abilites were awoken, the whole school was concerned.
He would try to get back at me even after he almost drowned in my water bubble.
A son of a great hero became a bullet user.
Ah, I miss those days.
Alright !

I can finally beat the crap outta Enriko, can't I ?!
Today is a good day ! I should change my birthday !
So, the reason you were expelled from the school was because of the fights with Cid?
Mm, well...
No, it was ..... my identity was revealed.
Enriko is from Mua clan.
They are one of few remaining pirates clans that dare to threaten the peace even after theitr defeat.

I found out who was behind his recommendation from Grande's- ARANA.
Faz had known my true identity for some time though.
Why did he take so long to expose you then ?
He could have when you were bullying him.
Well...
I think it was [illegible] of Cid [illegible] ...
A man named Raphael who was disguised as a merchant. He is still a wanted pirate.
Started to [illegible] fights with me.
JANIMES.COM

You are saying Faz didn't want his brother to have fun ?
They may be brothers by blood, but they are in fact enemies.
But I don't care as long as we get some decent food.
Faz will probably send 3 months worth of decent food to our storage !
Yahoo !
Faz ...
Is pretty wicked.

Mm...
Dia !
How are you feeling?
Loe...
How is Maria ?
The princess took most of damage.
She's fine.
Dia, what happened?
I heard Cid Leon assisted the pirate to attack this school ?

What ?
No, not...
Are you sure you want to be his friend ?
?!
Loe ! Don't you remember anything ?!
What do you mean ?
Deleting 10 minutes 12 seconds worth of memory
It wasn't Cid ... !
In fact, it was ...

Dia !
You are fine !
Maria.
I have something to tell you.
I really did mean when I said you could take Loe.
EH ?
I know the whole situation was a little awkward...
But if it was you...
If it was Dia ...

....
You ware the only one -
Who said I was the prettiest in both Vasha and back in hometown !
But Loe ... I *sob*
엉아아앙—
Calm down.
The only reason I am keeping this hair style is because Loe said he liked it !
Sorry, Marla.
I couldn't do anything to protect you this time again.
I didn't even try to understand you.

But whether you are bald or have a really bad hair style,
I will always tell you that you are the prettiest girl I've seen.
Sob...
Sob...
You idiot - !

크르르릉

It must be that her abilrty didn't affect me at all.
Neither Loe nor Maria could recall what actually happened.
I can absorb any bullet user's abilites and am immune to other bullet abilities.

Just
am I ?

Ah... !
Faz.
Have your friends left safely?
Miss Canto

It was EE that had a connection with pirates.
Yes...
No, can't be.
Faz I know...
Wouldn't do something like that !!

Thanks for everything...
You know, about helping Maria and all.
I only did what I had to do.
I am glad that everyone is alright.

And about the contract between my grandmother and you, I think it will be voided soon.
Pardon?
There is Cid's trial happening right now.
He has gone too far this time, working together with pirates and [illegible] princess. He will be expelled for sure this time.

That...
It was actually Cid who protected her !
That doesn't make any sense !
You also know that, don't you ?!
Cid did none of that !

I don't know what you are saying, Miss Canto.
쌉아아아아

Anyway, I do have a proposition to make to you.
Proposition?
Once Cid is expelled and the contract is nulled, you will have to leave this school.
It looks like you are mis-understanding something.

Your family will be troubled.
However,
If you join E.E., it won't be an issue.
Eh ?

E.E. is supported by Grande Corp.
Members of E.E. are financially supported by the corp. It's case by case.
Your ability will be a great asset to E.E.
Great asset?
My... ability?
Thanks for the offer, but I cannot accept it.
... Miss Canto.

My grandmother's intention was not actually to use you as Cid's bodyguard, it's-
It wasn't just because of the promise I made to her.
I ...
Just wanted to help Cid out.
I just ...
I am sorry, Faz.

I just want to be by Gid's side.
I want to find out.
I want to know how he can be guilt-free.
I want to know -
How he can shine like that.

Faz ?!
JANIMES.COM

Are you alright ?!
Thunder is scaring him.
Faz ?!
Faz ?!
I will bring Amelie !

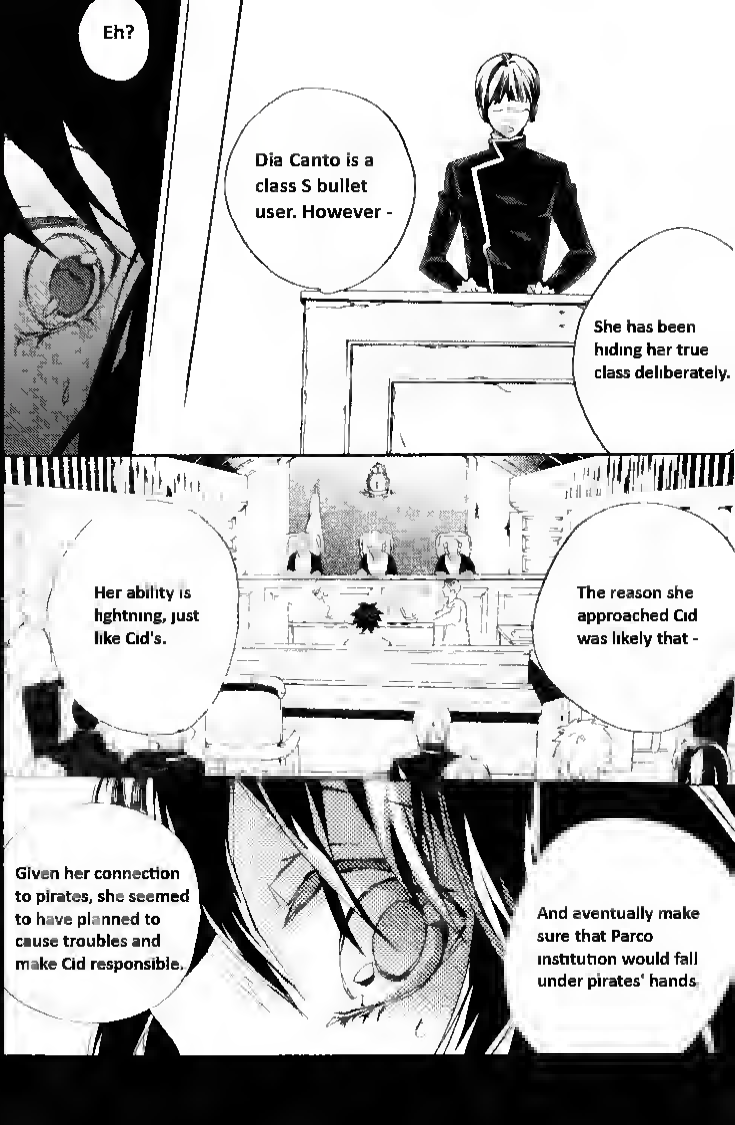
Ugh
쏴아아아아

쏴아아아아
부웅
Amelie !
Faz ?!
Get a hold of your self !
—!!
We were talking and he just ... collapsed.
Look after him, will you ?

... I have to go.
... What was that ?
I am confused.
True face of E.E. and my weird ability.
And Faz's sudden change, I am so confused !

Anyway, right now, I need to prove that
Cid is innocent. I am the only who knows the truth.
E, Excuse me -
Cid ...
Is it over already ?

?
Cid ...
Dia Canto
탁
?
We are arresting you for your crime to have worked together with pirates for the recent event. We are sending you to the center.

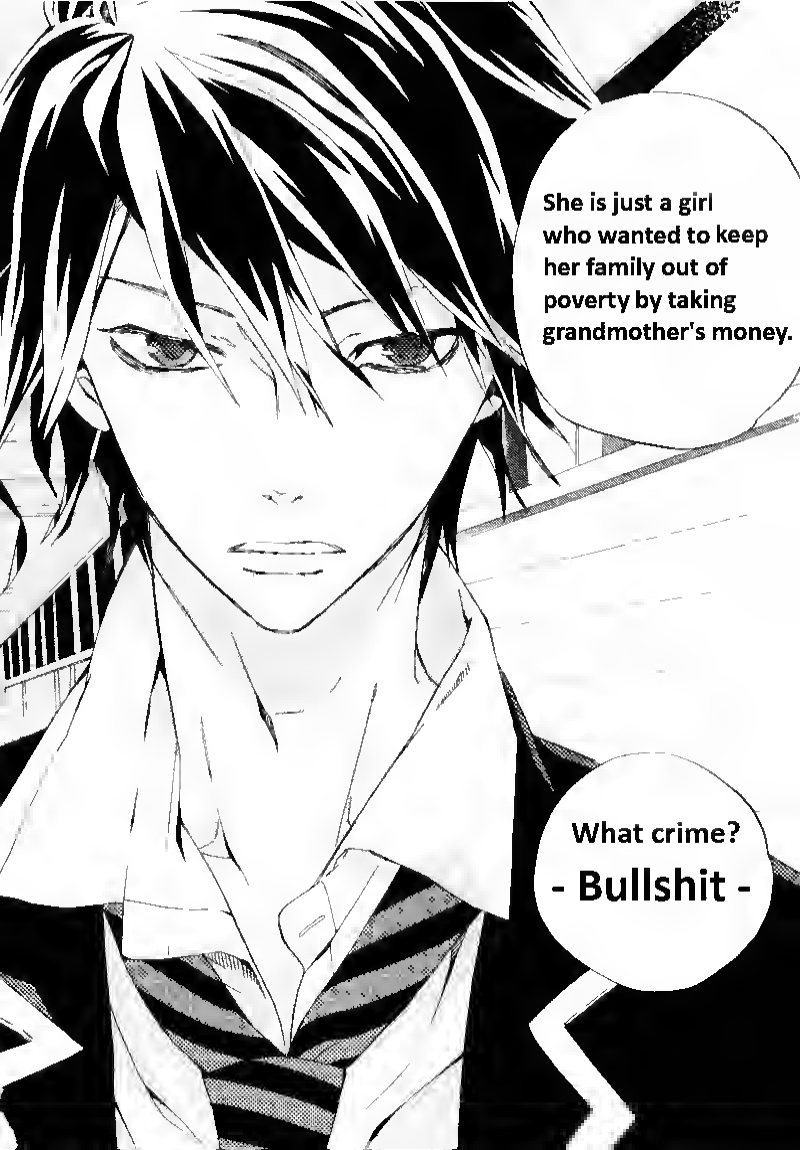


Eh?
Dia Canto is a class S bullet user. However -
She has been hiding her true class deliberately.
Her ability is lightning, just like Cid's.
The reason she approached Cid was likely that -
Given her connection to pirates, she seemed to have planned to cause troubles and make Cid responsible.
And eventually make sure that Parco institution would fall under pirates' hands.

My puppy has been causing too much troubles.
We are using our hidden card much earlier than expected, ma'am.
Indeed, it's not like it's easy to find class S bullet users.
Today is so nice, isn't it.

I wonder how it is like where my puppy is right now.
People from the center will take you soon. Just wait silently, Miss Canto.
No way
Two class S bullet users ? That's ridiculous
And she is e pirate
Does thet meen Cid is innocent ?
JANIMES.COM

You guys are spewing a lot of non-sense, you know that ?
What the hell did you say ? Sancho is a class S bullet user ?



She is just a girl who wanted to keep her family out of poverty by taking grandmother's money.
What crime?
- Bullshit -
